Building A Better World

THROUGH VALUE BASED EDUCATION

Sri Bhuvanendra Education Trust was founded and duly supported by Gajanana Group with an objective to provide quality education to large sections of our society. Trustees of Shri Bhuvanendra Education Trust are inspired by the life and ideals of Late H. Vittal Upendra Kamath and Late H. Kalavathi Vittal Kamath who were instrumental in laying the foundation of the Gajanana Group and always acted in the interest of local community during their life time. Sadguru Public School was established as a humble offering to carry forward the corporate social responsibility activities of the Gajanana Group towards local community.

About the School

Sadguru Public School endeavours to mould young minds into well-educated, successful and happy human beings by incorporating value based education, Indian culture, patriotism and holistic learning with cutting edge methodologies thereby blending the best of modern developments with our traditional ethos.

The school started functioning in June 2012 with LKG, UKG and with standards I to V. The aim of the management to bring the institution as a full-fledged secondary school has come true.

The Vision

To be a holistic learning center which provides academic excellence in a value based environment, where children not only imbibe knowledge but are also trained to be skillful, so as to bring out their full potential thereby improving the quality of their life.

The Mission

Impart integral education to strengthen the students' knowledge and develop life skills necessary for lifelong learning in the contemporary fast changing world. To construct and share knowledge to develop, leadership qualities, and to cultivate the value of service, patriotism and enlightened global citizenship.

Value Education

Our endeavour is to make education inspiring by instilling basic values of life such as love, peace, respect, tolerance, concern and non-violence into the education system.

Everyday time is set apart exclusively for value based education which includes moral science, yoga meditation, seminars etc. by value based education specialists.

- Feel confident
- Draw, paint, sing and dance

- The world around

THE OBJECT OF TEACHING A CHILD IS TO ENABLE THE CHILD TO GET ALONG WITHOUT A TEACHER

Yoga

Yoga is a compulsory subject for all classes. Yoga is an ancient Indian body of knowledge, a union of a person's own consciousness and the universal consciousness.

Faculty

Professionally efficient and committed teachers are entrusted to create a very peaceful, harmonious and motivational ambience for the students, to nurture and develop. In order to increase their effectiveness and to update them in teaching skills, regular orientation and other training are provided.

Infrastructure

Buildings are aesthetically designed and well furnished with most modern amenities.

Kid's Park

A beautiful kid's park with slides, swings, see-saw, hiking etc. is set up. The kids are given ample opportunity for free play as well as guided play.

Activity Room

Special attention is paid to facilitate the physical mental emotional and social growth of the child through a series of well co-ordinated activities.

Laboratories

Separate Laboratories have been set up for giving practical training as follows.

1. Science Lab
2. Social Science Lab
3. Mathematics Lab
4. Language Lab
5. Computer Lab/ Language Lab

Computer lab is arranged in such a way that all students in a class can use it at a time. Computer lab will also serve as a language lab for the students.

Library

It is our aim to develop the reading habits among students. The school library is arranged in such a way to sustain a regular interest in reading.

Smart Class Rooms

We follow the Smart learning methodology. The classes have Digital Board with Projectors which enhances the Teaching-Learning processes inside the classroom also gives students an edge in gaining knowledge very easily. (Information and Communication Technology enabled).

Playground/Courts

The school provides adequate facilities for sports and games as it is important for the students to remain physically fit. A full time Physical Education instructor will impart training to the students. Shuttle Badminton, Basketball, Football, Kho-Kho, Kabaddi, Table Tennis, Athletics, Chess, Caroms etc. will be given priority and courts are provided for the same.

Swimming Pool

A modernized Swimming Pool is available for the students as a part of activity which keeps their body and mind cool. A swimming coach is also available to give training to the students.

Co – Scholastic Area

The school offers classes in drawing, physical education and SUPW under the proper guidance of specialist teachers. Music, dance, instrumental music, karate, etc. are optional.

Club Activities

The school forms various clubs such as Literary club, Science Club, Social Club, Mathematics Club, Eco Club, Arts Club, etc. Club activities are organized periodically.

School Bus

Buses run through fixed routes. Students can board the bus from fixed points. Services to different routes will be arranged according to the number of students en route.

Personality Development

The school is well aware of the role of Personality Development in students. Special sessions by experts will be arranged for enhancing the soft skills and life skills, such as communication skills, personality development and leadership, so as to enable them to face any situation in life with calmness and confidence.

Karadi Path

This year we have introduced Karadi Path in the Preprimary and Class I and II. It is a natural way of acquiring language through a variety of commands and actions, which allows the learner to quickly assimilate elementary vocabulary and phraseology, building the foundation for further learning.

Remedial Guidance

We give priority to remedial guidance after each assessment. The weak areas of the students will be identified and special remedial measures undertaken. Individual attention where needed will be given even after class hours to help the students to improve their academic performance.

Counselling

Counselling is also imparted with the help of a special educator wherever it is found that external support is necessary for the emotional well-being of that child.

Role of parents

Parent's role and their involvement have greater importance for ensuring holistic development of their children which in turn helps in the growth of the school. There will be continuous interaction

between parents and teachers. Open sessions are conducted to create an opportunity to each parent to know the progress of their wards. We have PTA to impart us with constructive suggestions.

Day Celebrations

All the days of National and Religious importance are celebrated inside the campus. Sports Day and Annual Day form an important part of the school calendar.

Education is the most powerful weapon by which you can change the world.
